

	I fully / quite / partly agree with you and / but I'd like to add that...
	I'm of the same opinion.
	I suppose you're right.
	I'd like to point out that...
	It seems to me that...
	Concerning / as to ... I'd like to say that...
	In other words...
	I'm all in favour of...
	In my opinion...
	As far as ...is concerned.. / As far as I'm concerned...
	So do I. / Neither / nor do I.
	You're right up to a point.
	You've got a point.
	As I see it...

	Really? I don't think you can say...
	Yes, but on the other hand...
	I see things a little differently.
	I doubt whether...
	That's not true at all. You must realize that...
	I think you are wrong there.
	You're contradicting yourself.
	I'm afraid I disagree with you.
	Do you really think so?
	It's not as simple as that.
	That's not what I said at all. I was merely pointing out that.../ You're putting words in my mouth.

	first, second, third... / firstly, secondly, thirdly... / to begin with..., next..., then..., finally..., last but not least...
	also / furthermore / moreover / in addition
	equally / likewise / similarly / in the same way
	then / all in all / in conclusion / to sum it up
	namely / for example / for instance / that is to say
	consequently / so / therefore / thus / as a result
	or rather / to put it another way / in other words
	alternatively / on the other hand
	on the contrary / in contrast / on the one hand....on the other hand
	however / nevertheless / still / though / in spite of that

	Sorry to interrupt you, but...?
	Did I understand you correctly?
	I don't get your point.
	Would you mind explaining ...?
	Are you saying that...?
	I'd like to come in on that if I may.
	Do you mind if I just finish this?
	So what do you think? / What is your view on this (matter)?
