Role card

Li Minhαι

JOB

You are a parents' representative at your children's comprehensive school. The school is in really bad condition.

You have to travel to work every day (45 minutes).

You are interested in urban mobility and education.

HOME

Your wife has a well-paying job too,
which means she has to travel to the capital twice a month.

The situation is increasingly difficult.

Role card

Sam J. Yacoub

JOB

You are an environmental activist and independent journalist.

You used to work for NGOs in Nigeria and Kenya.

You are ready to fight for your personal freedom
and injustice in general.

HOME

You have no home but intend to settle down
somewhere near Greentown.

The basic idea is to find a partner and grow your own vegetables
while continuing to work on a global scale.
